## For Leaders

### 1 Know the Resources

Watch the resource [intro video](#).

#### **Outreach resource:**

The Treasure Hunt Pocket-Manga helps kids/youth share easily. There are many languages to choose from including [English](#) and [Hawaii Pidgin](#). The Treasure Hunt [Mobile App](#) can also be used for kids with smart phones.

#### **Devotions resource:**

Treasure Hunt [daily reading plans](#) are waiting on YouVersion for a three week experience. This is a great way to get kids into the habit of devotional time every day.

#### **Discipleship resource:**

[Treasure Hunt Venture](#) discipleship series takes kids/youth through 15 quests to grow in Faith, Identity, and Impact. This provides an easy model for kids to disciple other kids as well!

### 2 Pick Your Level

#### **Level 1 Sapphire**

1 Week. Kids watch the [Mobilize Video](#) and follow the five steps to the right. They just may lead a friend to saving faith in Jesus! Cost \$2 max per child.

## For Kids

### 1 Read the Manga

Make sure kids have in hand either the English pocket-manga, the Pidgin pocket-manga, or the Treasure Hunt Manga mobile app. Take time for them to read through it and then ask them questions about the story.

### 2 Practice Sharing

Now have kids break into pairs and take turns introducing with the lines from Kanoe on the Mobilize Video:

“Kids around the world are reading this awesome pocket manga. Have you seen it?”

“On page 27 there are some questions I’d like to ask you when you’re done.”

After answering the questions ask “Would you like to pray the prayer and receive God’s gift?”

### 3 Pray for Friend

Have kids take moment of silence to ask God who He would like them to share the manga with and have prayer time for the names of those friends.

### 4 Go fo broke

Launch kids (use Kanoe’s closing words from the Mobilize Video?) and have others in church praying for them that week!

### **Level 2 Emerald**

4 Weeks. For three weeks kids will read the [Treasure Hunt reading plans on YouVersion](#). On the fourth week kids do the Sapphire level (watch video and get mobilized with manga). Cost \$2 max per child.

### **Level 3 Diamond**

16 Week. This is the whole enchilada! Kids go through the 15 quests of the [Treasure Hunt Venture](#) discipleship series and grow in faith, character, and kingdom skills. The sixteenth week they do the Sapphire level and reach friends. Cost approx. \$20 per child.

### **3 Get Resources**

On Oahu: [Logos Bookstore](#)

On Maui: [Kahului Union Church](#)

On Line: Order the [Treasure Hunt Venture](#) and utilize digital pocket-manga or manga-app from Treasure Hunt website.

### **4 Invest In and Mobilize Kids**

**Sapphire:** Just watch the Mobilize Video, give the kids the pocket mangas or download the mobile app, and follow the five steps.

**Emerald:** Help kids get the YouVersion Bible App on their devices and go to the [Treasure Hunt reading plans](#) and get started. Review each week what God is speaking to them. And on the last week do the Sapphire level.

### **5 Talk Story**

At your next meeting ask kids what happened. Were they scared? Did they chicken out? Was it a success? What did friend do? Were they happy they shared? What do they think God thought?

And be sure to [let us know](#) what happened too. Your stories can be encouragement for more islands, more cities, more countries, and more lives changed!

**Diamond:** Each week take the group through a quest in the [Treasure Hunt Venture](#) and don't forget the memory verse. Pay special attention to youth who may be ready to lead their own groups and involve them in helping lead. On the last week do the Sapphire level.

### **5 Tell What God Has Done!**

Celebrate your kids/youth as they make faith steps. Ask how the sharing the manga went. Answer questions together. Pray for the seeds planted. Have a party! Make sure kids who came to Christ get followed up by beginning the Treasure Hunt Venture series with them.

And be sure to [let us know](#) what God has done!

Mahalo for all you do!

Jesus be uplifted in the Islands for all generations!
